DETAILED ACTION

1. Claims 1-8, 15-20 and 35-38 are pending. The Applicant has canceled claims 9-14 and 21-34.

Claim Rejections - 35 USC § 103

2. Claims 1-8, 15-24 and 35-38 are rejected under 35 U.S.C. 103(a) as being unpatentable over Tu et al., US 6,617,969.

Tu discloses a method for sending a notification status to multiple entities, e.g. Fig. 31, a notification interface, e.g. Figs. 20-25, routers, e.g. 5004, 5010, 5018, and a customer identifier, e.g. 2902. Tu does not specifically disclose the term transaction. However, business entities transacting business with customers over a network environment, e.g. the Internet, for notification status, has been common knowledge in the art. Official Notice of such is taken. To have used such with Tu would have been obvious to one of ordinary skill in the art. The motivation for having done such would have been to conduct transaction business with the Tu system. Also, to have used an application programming interface would have been obvious to one of ordinary skill in the art as this type of interface has been common knowledge in the computer interface art.

Applicant's August 2, 2005 REMARKS have been reviewed, but are moot in light of the new ground of rejection.

3. Further references of interest are noted on the attached PTO-892.

Conclusion

4. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
